Create a MyInfo account and get access to everything you need to know about your assignment, your pay, Modis news and more.

MyInfo is Modis' company intranet, and it is an exceptional resource for consultants like you. If you haven't already created an account, use the following steps to create one today:

1. Go to [www.adomyinfo.com](http://www.adomyinfo.com)
2. Select the "Create Account" link.
3. Fill in all required fields to verify your identity. If you are a W2 Consultant, select to input your SSN. If you are an Independent/Subcontractor, select Vendor ID/Contractor ID from the drop down menu. W2 Consultants will also need to enter their zip code and employee ID. If you do not have your employee ID, you can request a unique pin number during registration and use it to register in lieu of your employee ID. You will also need to provide your email address to be used as your username. The system requires the email address to be entered twice for confirmation. Click "Continue".
4. Create your Password using the guidelines listed on the page. Click "Complete Registration".
5. Click "Go to Homepage" to access MyInfo.

Once your MyInfo account has been created, you will receive a confirmation email with your username.

If you have any questions about MyInfo, or need assistance accessing your account, please contact your Modis representative.
